

## **GUIDELINES FOR INDOOR WORSHIP - PHASE 2**

- Sunday reservations are no longer required, but worshipers are asked to sign-in (one person per household) upon entering the narthex.
- We are mask friendly for those who are more comfortable wearing a mask.
- Worshipers are strongly encouraged to be fully vaccinated before attending.
- Unvaccinated persons (including children and teens) are asked to wear masks and physically distance as recommended by CDC guidelines.
- Services will continue to be brief (approximately thirty minutes) in Phase 2, but will include the singing of hymns.
- Those with symptoms of COVID-19 or who have been in contact with someone with COVID-19 are asked not to attend in-person worship.
- Anyone who is at high risk of COVID-19 is strongly encouraged to continue participating through our online worship service.
